## Visit from Team GB

On Wednesday, we had an amazing visit from the Team GB Athletes, Andy Morgan-Harrison & Reynold Banigo. They held assemblies, engaged in Question-and-Answer sessions with the children and delivered class P.E. sessions to the whole school to enforce the power of our school values: **Resilience, Aspiration, Endeavour and Teamwork!**

This once-in-a-lifetime opportunity really inspired our children to believe that anything is possible with hard work and determination. Here are some quotes from our pupils following the visit.

### Millennium class:

Darcie-Rose – I really enjoyed the assembly because it was really inspiring and they have worked really hard to get their achievements

Rylan – they looked like they had trained really hard

### Lyceum class:

George - I liked how he ran so far and so fast

Lyla - I think it's amazing how many things they do

Isabelle - I think it was inspiring

Joshua - It inspired me to set some goals

### Norfolk class:

Charlotte – They were amazing!

Eddie – They were inspiring because they achieved their dreams

Alina – They run very fast

Lyla – They are fantastic because they always try their best

### Endcliffe class:

Drin - The more you train the faster you get

Ivy - You have to work very hard to get stronger each day

William - I like it when he sprinted really fast because I want to do that in the playground'

Calvin - You have to work hard to get more strong

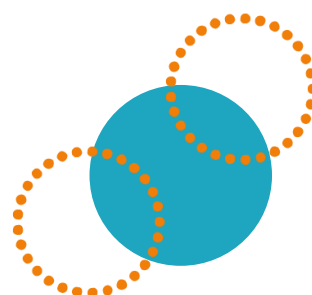

Ezra - I enjoyed it because we were working together

Max - I liked when we did the stretching

Bryley - My heart was pumping when we won

### Parent Quote

They have never been up and ready for school as quickly as they were this morning!.

# Visit from Team GB

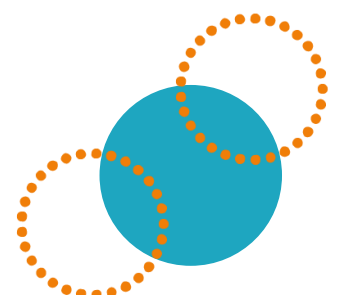

### A Message from our Sharon Damms, AGB

Thank you for inviting us (AGB) into school this week to meet with Mrs Gibson and some of the pupils representing the different year groups.

It was a highlight to meet with the pupils in their bright, new uniforms and to witness their enthusiasm for their new "Learners' Code Handbook" which has been issued to every child. They explained very clearly how they earned "credits" by displaying the CREATE values in class and around school. They understand that how they conduct themselves around school and towards others is important preparation for becoming "good citizens". They were able to articulate how they were credited (by adults) for showing qualities such as resilience and endeavour and also how they were able to earn wristbands over the course of the school year according to their accumulation of credits. It was evident it gave them a focus / a reason to keep up good attendance / and the desire to be a role model - all great outcomes!

I was really impressed (as we all were) with how the children had such a good understanding of the "Learners' Code" and how they had obviously engaged with it in such a short time! Such a positive start to the school year is great to see!

- The visit of the athletes Andy & Reynold and the presentation in assembly of their "life Journey" towards the Olympic goals clearly inspired the children.
- Their message was to set themselves a goal in life and work had to achieve it! But never to forget to enjoy working towards their goal.
- Their "life journey" demonstrated the schools LEAD values of Aspiration and Endeavour/Teamwork.
- If you have a set back (as they did with injury's and non qualification) then you must always go back and try again!

# Safeguarding Concerns:
