Newsletter

16th December 2022

Dear parents and carers,

We're delighted to be able to look back on such a successful, enjoyable and productive half term. Thank you for all of your positivity and enthusiasm on the playground, at Meet the Teacher and parents' evenings and when coming into school for concerts and events.

There have been hundreds of highlights this term, including Team GB athletes and ice skating championships, not to mention the cooking and baking projects and the time that glitter monsters took over Key Stage One!

We are so proud of Birley Spa and all of our fantastic children, staff and parents. The House Points and Learners' Code points have really supported children's self-esteem and will continue to be used to celebrate effort as well as success into the new year.

We hope that your family time over the next two weeks is filled with fun, laughter and opportunities to relax and look forward to hearing all about your break in the new year.

Working together:

We would love to hear your thoughts around the opportunities children have had in school this term, the development work that has taken place with teaching and learning, and general feedback for current experience in school. Please spare a few minutes to complete this survey as this gives us valuable feedback to help with future developments in school.

It was really lovely to see the children enjoying themselves at their parties today.

Well done to Early Years for performing their Wiggly Nativity so well during both performances. Thank you to all the parents who came and supported the children. Well done Key Stage One for really shining in their play and also a huge well done to Key Stage 2 for the lovely carol concert.

Enterprise Week

Each class has really risen to the challenge of creating something to sell at the Christmas Fayre. I was lucky enough to buy something from each stall and am thrilled with my fridge magnet, candle holder, cards and crackers as well as full from some delicious soup and bread. The reindeer food, gingerbread and hot

chocolate were all fantastic as well. Thank you to everyone who bought anything to support our children to raise funds for school. The profits go towards the Christmas presents for the children, with any remaining money being used to buy more equipment in school as needed so we really do appreciate your support. Our Christmas events have been a huge success, breaking our Birley Spa fundraising record; **we raised £1,548.60.**

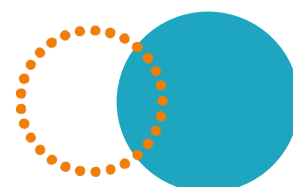

Thank you to all the parent volunteers; Mrs Gibson is really looking forward to meeting them in the new year to design a programme of support for our children.

Staffing:

As you know Mrs Horsfield will take over the leadership of the IR in January. Mrs King has been a valuable member of staff, teaching in Shirebrook for the last year, so we would like to thank her for her contributions and wish her well for the future.

Mrs Thomas is starting her maternity leave over the Christmas break. We wish her all the best and cannot wait to meet her new arrival in the new term.

Curriculum Enrichment

It has been a great few weeks for visits to enhance our curriculum offer.

Please look out for the latest curriculum newsletter which will be sent out via Showbie and will also be on the website.

Aspiration and Endeavour

Year 6 enjoyed a unique opportunity to experience the British Figure Skating Championships 2022 at Ice Sheffield and were able to see local children achieve their potential. They were noticed by staff and Ice Sheffield staff for displaying the School Values when they were out in the community.

Creativity and Teamwork

All of the children enjoyed the Christmas church service at Spa View Church and gave another example of how we show our School Values to members of the local community.

We had wonderful feedback from staff at Church. "It was wonderful having Year 1-6 visit Spa View Community Church for their carol service. They sang some lovely carols that they've been practicing in school. We did other fun activities and the children (and teachers) had a great time joining in. They were so well behaved and did some fantastic listening throughout. We really enjoyed being able to host the school carols service and hope we can do it again next year."

- Amy (Children and Families Worker).

"It was a real privilege to welcome back Birley Spa for a Christmas Carol Concert again this year. The children sung beautifully and were a real credit to the school and their parents and guardians. As well as carols they enjoyed wrapping up their teachers and getting involved in a drama called the perfect Christmas portrait."

Pastor Chris Jeavons

Empathy and Tolerance

This week, Year 1 and 2 found out all about what makes a Catholic church special when they visited Our Lady of Lourdes Catholic Church on Wednesday as part of their Religious Education. They found it very informative and showed Empathy and Tolerance throughout their visit. Well done Year 1 and 2!

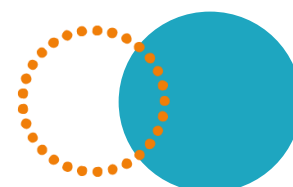

We're looking forward to announcing our Pupil Podcasters and Eco Council after Christmas, along with the projects that they will undertake. It's been wonderful to see so many children volunteer to go the extra mile to make our school thrive.
