	Children show good control and co-ordination in large and small movements.	National Curriculum. Pupils should be taught to: <ul style="list-style-type: none"> • master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities. • perform dances using simple movement patterns. • swim competently, confidently and proficiently over a distance of at least 25 meters 		National Curriculum. Pupils should be taught to: <ul style="list-style-type: none"> • use running, jumping, throwing and catching in isolation and in combination • take part in outdoor and adventurous activity challenges both individually and within a team 			
Acquiring and Developing Skills	<p>Dance- Travel on feet - walk, hop, skip, run, bounce For instance, To explore different body parts and how they move and remember and repeat actions. – Summer 1 lesson 3 Dance lesson 3</p> <p>Games- Throw and catch a ball For instance, To develop bouncing and catching a ball. - Spring 2 lesson 4</p> <p>Gym- Perform basic gymnastic actions like travelling, jumping and turning For instance, To copy and create short sequences linking actions together. - Spring 1 lesson 6</p>	<p>Dance- Follow the leader – jumps, hops, skips For instance, copy, repeat and choose actions that represent the theme - Autumn 2 lesson 7 Dance Lesson 7</p> <p>Games - Throw and catch a ball with a partner with increasing accuracy over a variety of distances For instance, explore throwing with accuracy towards a target – Autumn 1 lesson 3</p> <p>Gym- Perform basic gymnastic actions like travelling rolling and jumping For instance, explore travelling movements using the space around you - Spring 1 lesson 1</p>	<p>Dance- Can link several movements together For instance, create a short dance phrase with a partner showing clear changes of speed - Autumn 2 lesson 8 Dance Lesson 8</p> <p>Games- Pass a ball accurately to a partner over a variety of distances, varying direction For instance, develop co-ordination and technique when throwing and catching – Autumn 1 lesson 5</p> <p>Gym - Perform a variety of rolls For instance, develop rolling and sequence building - Spring 1 lesson 5</p>	<p>Dance- Can link several movements together with control and co-ordination For instance, remember and repeat actions, using dynamics to clearly show different phrases – Summer 2 lesson 5 Dance Lesson 5</p> <p>Games- Throw at a target, receive with hands, feet and stick For instance, explore and develop a variety of throwing techniques – Spring 1 lesson 3</p> <p>Gym- Perform a variety of rolls with increasing control For instance, develop the straight, barrel, and forward roll - Autumn 1 lesson 3</p> <p>Athletics – develop basic running, jumping and throwing techniques. For instance, develop the sprinting technique and improve on your personal best. – Summer 2 lesson 1</p> <p>Outdoor and Adventurous Activity - orientate a map, identify key symbols and follow routes. For instance, identify objects on a map, draw and follow a simple map. - Spring 1 lesson 5</p>	<p>Dance- Improvise freely with a partner translating ideas from stimuli to movement For instance, use action and reaction when creating ideas with a partner – Spring 2 lesson 6 Dance Lesson 6</p> <p>Games- Travel with a ball showing control For instance, develop dribbling using the reverse stick (Indian dribble) – Spring 1 lesson 3</p> <p>Gym- Perform a competent forward roll, rug roll, shoulder roll For instance, develop the straight, barrel, forward and straddle roll - Autumn 1 lesson 4</p> <p>Athletics – develop basic running, jumping and throwing techniques and measure, time and record scores. For instance, develop technique when jumping for distance. – Summer 2 lesson 3</p> <p>Outdoor and Adventurous Activity - orientate a map, identify key symbols and follow routes whilst children plan, solve, reflect and improve on strategies. For instance, develop trust whilst listening to others and following instructions.- Spring 1 lesson 4</p>	<p>Dance- Respond to a variety of stimuli showing a range of actions performed with control and fluency For instance, create a dance using a random structure and perform the actions showing quality and control – Spring 1 lesson 1 Dance Lesson 1</p> <p>Games- Travel with a ball showing changes of speed and directions using either hand or foot For instance, use stepping, dribbling and passing skills to create space, move towards goal and away from defenders – Autumn 1 lesson 2</p> <p>Gym- Perform a range of rolls including backwards roll consistently For instance, develop the straight, forward, straddle and backward roll - Autumn 2 lesson 2</p> <p>Athletics - set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. For instance, develop throwing with greater control and technique. - Summer 2 lesson 6.</p> <p>Outdoor and Adventurous Activity - orientate and navigate using a map whilst being encouraged to be inclusive of others and share ideas. For instance, navigational skills and map reading. - Spring 2 lesson 5</p> <p>Swimming - Use a range of strokes effectively</p>	<p>Dance- Perform a variety of dance styles with accuracy and consistency For instance, select actions and dynamics to convey different characters – Spring 1 lesson 6 Dance Lesson 6</p> <p>Games- Dribble effectively around obstacles. Show precision and accuracy when sending and receiving For instance, develop protective dribbling against an opponent – Spring 2 lesson 1</p> <p>Gym- Perform a range of rolls showing different entrances and exits For instance, be able to develop the straddle, forward and backward roll - Autumn 1 lesson 1</p> <p>Athletics – set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing - improve by identifying areas of strength as well as areas to develop. For instance, work collaboratively with a partner to set a steady pace. – Summer 2 lesson 1</p> <p>Outdoor and Adventurous Activity - orientate and navigate using a map whilst creating strategies and plans to produce the best solution to a challenge. For instance, work as a team to solve problems, sharing ideas and collaborating with one another. – Spring 2 lesson 2</p>

Evaluating and Improving Performance	Children are confident about trying new activities, and say why they like some activities more than others. They are confident speaking in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities. They say when they do or don't need help. They take account of one another's ideas about how to organise their activity.		National Curriculum Pupils should be taught to: <ul style="list-style-type: none"> Compare their performances with previous ones and demonstrate improvement to achieve their personal best. 			
	Respond positively to suggestions for improving their skill	Describe and comment on their own and others actions: Can describe what they have done Can watch others and say what they are doing	They can talk about differences between their own and others' performance and suggest improvements	Assess their own performance identifying what they do well and what they find difficult. Make some simple suggestions on how individual and team performance might be improved	Describe and comment on their own performance and that of others and make simple suggestions to improve quality	From observation of others, begin to describe constructively how to refine improve and modify performance. Refine own performance in response to comments of others' and self-analysis

Knowledge and Understanding of Fitness and Health	Children know the importance for good health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe. They manage their own basic hygiene and personal needs successfully, including dressing and going to the toilet independently.		National Curriculum Pupils should be taught to: <ul style="list-style-type: none"> perform safe self-rescue in different water-based situations 		National Curriculum Pupils should be taught to: <ul style="list-style-type: none"> perform safe self-rescue in different water-based situations 		
	Observe that the body becomes tired during exercise and vigorous exercise results in being out of breath.	Can describe how their bodies feel when still and when exercising. Can talk about how to exercise safely.	They can understand how to exercise and describe how their bodies feel during different activities.	Know and understand the reasons for warming up. Compare and contrast breathing and heart rates when resting and exercising. Can play team games safely e.g. avoiding collisions or hitting other players.	Children suggest appropriate warm up ideas. Children dress appropriately for PE. Children work in a responsible and safe manner. Children recognise changes in body temperature, heart rate and breathing.	Demonstrate activities for specific aspects of warm up – stretching, joint mobility, raising heart and breathing rates. Describe the effects of exercise on the body showing understanding of the principles of respiration, temperature, fatigue and recovery.	Can show responsibility for personal warm up programmes specific to the activity. Demonstrate all round safe practice, including handling of equipment, safety of self and others, playing within accepted rules and conventions.
