NEWSLETTER

21st April 2023

Dear parents and carers,

Integrated Resource:

We are delighted to share with you that we have secured a significant amount of funding from LEAD Academy Trust to completely renovate our Integrated Resource classrooms and extend the building to include even more features.

We will be inviting parents of children who use the IR to a short meeting to outline the plans and discuss the improvements and implications of the building work soon.

We are hoping that this work will start in the summer term so that the renovations are complete for September.

Easter Holiday Renovations:

Throughout the Easter holiday we had some renovations completed within the school. Two of our classes (Weston & Graves) had their classroom carpet replaced, creating a refreshed and modern look for the children to enjoy.

After School Clubs:

Beginning this term, the school has introduced multiple after school clubs. Providing the opportunity for children to get involved with and improve their knowledge on chosen topics. This allows children to experiment and try new activities that they wouldn't normally show interest in or have the opportunity to participate in outside of school. Although some clubs are full, there are still places available in many of the clubs. If your child would like to take up a place, please contact the school office.

Day:	Year 1-2	Year 1,2,3	Year 3-6
Monday:		Art Expression	Art Expression Reading for pleasure Mindfulness
Tuesday:	Story-time		Making Fresh Food (club is full) Enterprise
Thursday:	Social Skills through Board games First Aid for beginners Design Club Sewing Club Art using Story characters	Enterprise	Gardening Club Sign Language(Makaton) Resilience and Confidence
Friday:	Making Fresh Foods Dance		Design Club Spanish (club is full)

Board Game Donations:

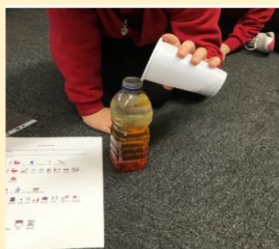

The school are kindly asking for donations of 'Board Games'. Any donations would be warmly welcomed at the school Office/Reception. We are always thankful for the support and generosity from parents/carers.

Autism Awareness Week (Sparkle Sheffield)

We are delighted to share with you the pictures from our Autism Awareness Week just before the Easter holidays. Thank you for your generosity and support with the 'wear it blue day', this was a great success and we managed to raise **£162.70** for 'Sparkle,' a Sheffield Charity that supports families with children with Autism.

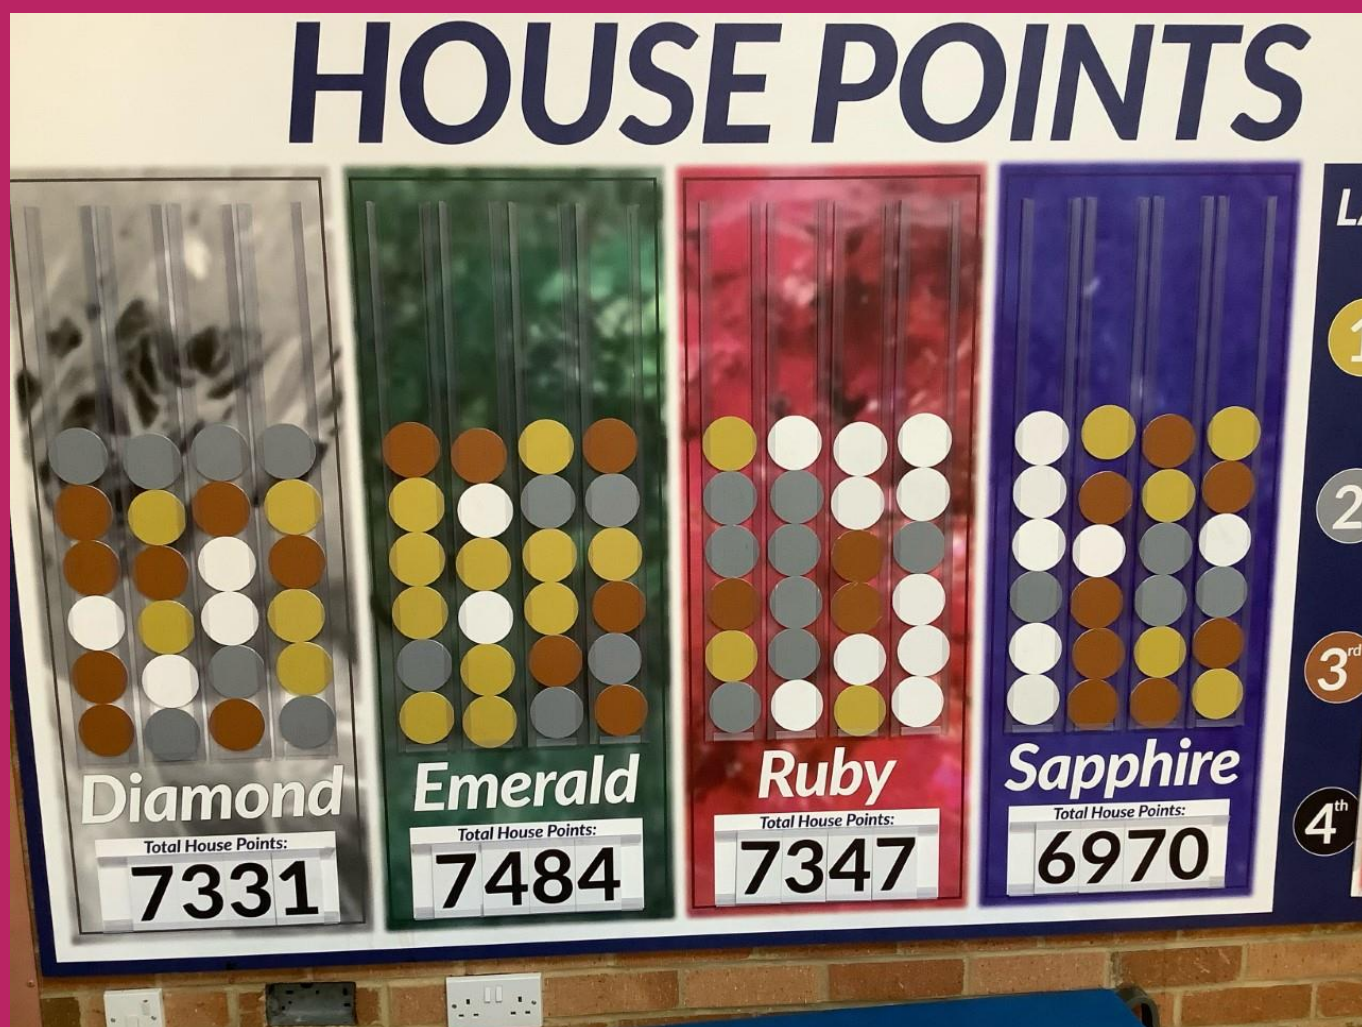

The children enjoyed taking part in many different activities to raise awareness and gain an understanding of Autism. They showed Empathy and Creativity, as well as understanding how Autism can affect children in everyday life and within school, but also how children with Autism are also unique and have lots of strengths. We looked at how we can help children with Autism and understand their feelings and needs. We created some sensory resources for all the children to use within our classroom, so that all children have access to these, should they need to use them to support and help to manage their own emotions. We also learned about some famous people that have Autism.

The children discussed and celebrated the ways they are unique and then created a jigsaw piece which shows how they are unique. These will be used to decorate the border for the displays we have in school. We created a whole school ribbon which every child was involved in decorating in their own unique way. This had a huge impact on the children's understanding about how they are unique in different ways.

Well done to Weston and Bolsover classes for achieving our school target of 96%

At Birley Spa Primary Academy we are committed to helping all pupils to achieve their full potential. Good attendance is a key factor in raising pupils' attainment and supporting their personal development. Whilst it is appreciated that children are ill from time to time, please think carefully before allowing your child to be absent from school. The chart below provides an indication of how just a few days absence can significantly impact a child's overall attendance percentage and impede their learning:

Description	Attendance	Whole Days Lost	Lost Hours of Learning
